# Built for logistics

With a cutting-edge design, our developments have been created to be smarter than ever before. The new ultra-modern design treatment is designed to meet the demands of modern logistics and distribution centres.

The building features natural materials and finishes throughout, as well as an enhanced reception area. The interior of the building is open plan, with breakout areas and a modern boardroom, while the grade 'A' office space will provide your staff with a contemporary workplace environment.

## The location

# At the heart of the nation's supply chain

Magna Park Corby is located immediately adjacent to the A43 link road, which is 8 miles to the A14 – a major route between the East of England and the Midlands and a key route for international traffic.

The A14 carries around 85,000 vehicles per day; 26% of this is HGV traffic (against the national average of 10%). Over the last few years it has been significantly upgraded with a £1.5bn improvement scheme, which has boosted the local economy, cut journey times, enhanced economic growth and improved the environment.

With proximity to Birmingham International Airport and East Midlands Airport (which itself contains a freight hub) plus the various rail links to the UK's ports, Magna Park Corby is a strategic logistics location.

75% of UK population lives within a 4 hour HGV drive

## HGV DRIVE TIMES

Destination	Miles
A14 Junction 7	8
M25 Junction 23	74
M1 Junction 19	26
M6 Junction 1	27
M11 Junction 14	41
A1 (M) Brampton Hut Interchange	32
Catthorpe Interchange	33
Birmingham	61
Liverpool	155
Rugby	44

Airports	Miles
Birmingham Airport	53
East Midlands Airport	46
Luton Airport	58
Stansted Airport	70

**sound.keep.spirit**  
CORBY, UK

## ROAD

**Major road links**  
The site is located 8 miles (13 mins) from the A14.

**Major road links**  
Junction 19 of the M1 and Junction 1 of the M6 via the A43 and A14 are within 27 miles to the west.

**Major road links**  
A1 (M) Brampton Hut Interchange via the A14 is 32 miles to the east.

## RAIL/PORTS

**31 miles**

**111 miles**

**Rail freight terminal direct to docks**  
Magna Park Corby is serviced by Daventry International Rail Freight Terminal (DIRFT) a rail freight terminal that has access to West Coast Mainline; UK's primary freight route and is just 31 miles away from Magna Park Corby.

Access via the A14, Felixstowe Port is 111 miles away. The country's primary route for export to European and global markets, opening gateways to business.

## AIR

**46 miles**

**East Midlands Airport**  
The A43/A427/A6 provides access to the M1 motorway and East Midlands Airport (containing a freight hub) which is 46 miles to the North.

**54 miles**

**Birmingham International Airport**  
The A43/A14 provides access to the M6/M42 motorway and Birmingham International Airport which is 53 miles to the West.

## Labour

# Thriving labour pool

### Working population

The working population at Magna Park Corby is thriving, with 77.6% of the population economically active. Of those who are not economically active, 27.6% are seeking a job, considerably higher than the national average of 18.1%.

### Competitive wage

An average weekly wage 8% below the national average makes this location a low-cost area from which to recruit staff.

### Job density

There are 0.77 jobs per head of the working age population, lower than the national average of 0.85 jobs, suggesting that there is an increased need for employment opportunities and more people looking for jobs in this region than elsewhere in the UK.

In addition, 18-24 year olds represent a greater proportion of the population in North Northamptonshire than in the wider East Midlands as well as against the national average. This suggests that millennials are more likely to choose this area as their home base over others nearby because they feel they can better afford it here than elsewhere around the UK.

Source Nomis 2021 (Office for National Statistics)

**27.6% of not economically active are seeking work**

**Weekly pay 8% below average**

**Strong local labour pool**

**A younger age profile**

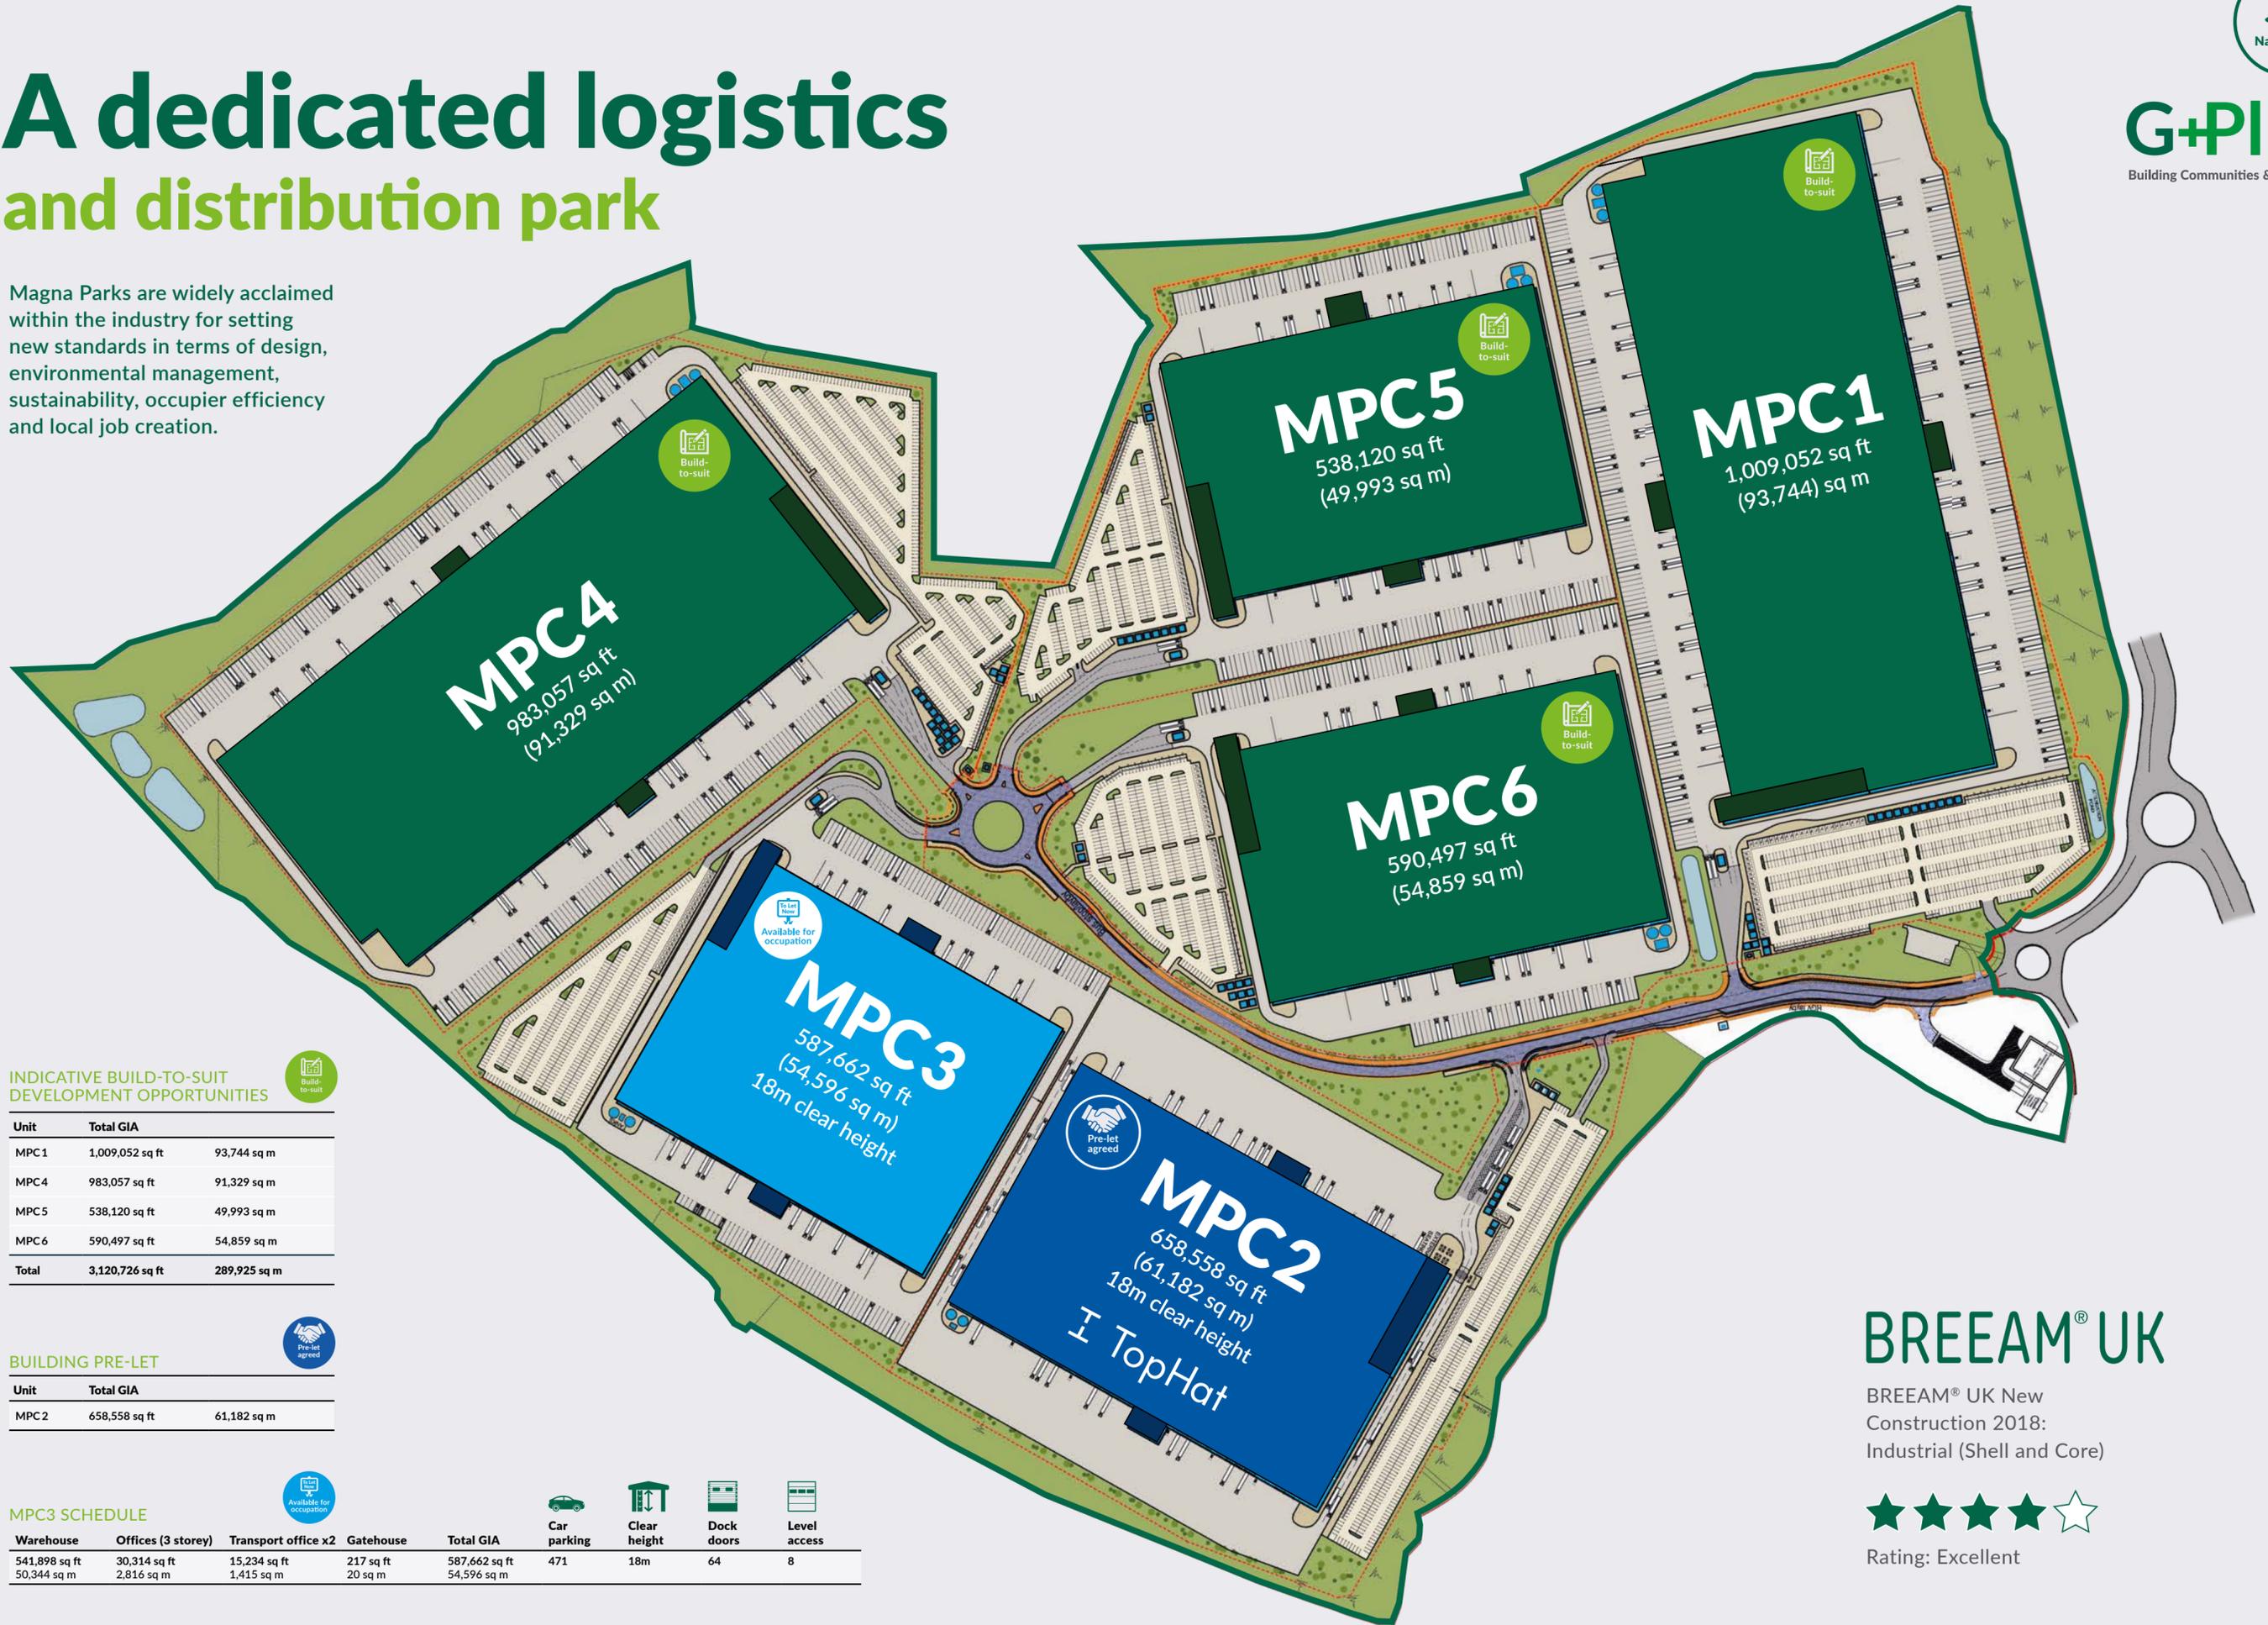

The age profile of the population in North Northamptonshire is younger than that in the wider East Midlands and more so than the national average.

18-24 year olds represent a greater proportion of the population in North Northamptonshire than in the wider East Midlands as well as against the national average.

This suggests that there is an increased need for employment opportunities for younger people in this area.

# A dedicated logistics and distribution park

Magna Parks are widely acclaimed within the industry for setting new standards in terms of design, environmental management, sustainability, occupier efficiency and local job creation.

## Yard highlights

# Best-in-class specifications including flexible docks and level access

The GLP Standard warehouse door provision comprises a combination of dock and level entry doors. The docking pack includes trailer lights, bollards, dock shelters and traffic lights on each dock position as standard. GLP only install equipment from market-leading providers.

Ample HGV parking

Standard & large dock doors

Level access provided

Standard 50m yard depth

50m yard depth and suitable for 44 tonne HGV traffic, ensuring quality and durability.

Representative images

## FLEXIBLE OPERATION

Level access doors provide flexibility of movement between the warehouse and service yard for all types of vehicles – including forklift trucks.

## BARRIER PROTECTION

The yard also includes barrier systems to help prevent serious damage and minimise risk of accidents.

## Warehouse highlights

# A modern warehouse with an array of energy saving features

Our floors are designed and constructed using high quality materials and wherever possible are fully recyclable.

Our rooflights provide illumination during daylight hours, combined with energy efficient and intelligent lighting, this provides the optimal energy efficient solution for any type of operation.

Representative images

## LARGE VISION PANELS

All our dock doors have large doubled glazed vision panels installed which allow operators to check for a docked vehicle before opening.

## OPTIMISING NATURAL LIGHT

Translucent panels provide illumination of the warehouse in daylight hours, reducing any operational requirements for lighting – and the associated running costs.

## Office highlights

# Creating a modern office environment with cutting-edge enhancements

GLP recognises the importance of the office areas as places for people and the relevance of building design to facilitate health, well-being and productivity. Our buildings are designed to the principles of 'WELL Building' certification, whilst maintaining flexibility to enable ease of customer fit-out.

Open plan working space

Optimising natural light

Building Environmental Analytics

Recycling performance

Cost effective

## MODERN RECEPTION

First impressions count. As such, the GLP reception area is contemporary, open, spacious and flooded with natural light.

## OPEN PLAN KITCHEN

Open plan kitchen and break out area, providing and supporting a collaborative working environment.

## MATERIAL BENEFITS

Contemporary panoramic windows and suspended ceiling tiles. The tiles are 100% fully recyclable and come with a wide range of performance benefits, including sound absorption and good light reflection properties.

GLP office facilities are to a market-leading specification.

Representative images

# Our commitment to sustainability and biodiversity

Many of our customers require their warehouse buildings to demonstrate excellent environmental performance.

GLP is now recognised across the world for delivering industry-leading warehouse buildings that continuously exceed our original environmental aspirations, while supporting our customers' business operations in many effective ways.

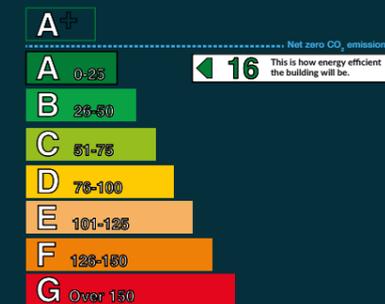

## BREEAM® UK

BREEAM® UK New Construction 2018: Industrial (Shell and Core)

Rating: Excellent

## THE GLP ENHANCED SPECIFICATION:

- ✓ BREEAM® Excellent – to all buildings
- ✓ WELL ready
- ✓ LED lighting throughout
- ✓ Low water spray taps
- ✓ 12% less embodied carbon than industry standard
- ✓ 15% less operational carbon in day-to-day operations
- ✓ Provision for electric vehicles
- ✓ Planet Mark offered for first year of occupancy to help manage energy use
- ✓ G-Hive scheme and wildflower planting to improve biodiversity
- ✓ 100% recycled and recyclable carpets
- ✓ Painted using VOC free natural paint

**Building Environmental Analytics**

### Monitoring energy usage

Our online energy dashboard can help customers proactively manage their energy consumption.

**Recycling performance**

### Recycled & recyclable materials

Our initiatives contribute to a greener world and offer distinct advantages to our customers and communities.

**Optimising natural light**

### Optimising natural light

Our triple skinned factory assembled rooflight solution can save up to 13% a year on running costs.

**Water usage**

### Reducing water usage

Rainwater harvesting for use in toilet flushing and other non-potable applications.

**Cost effective**

### Cost-effective

We use high-quality materials and sustainable initiatives to add value and bottom-line savings through reduced operating costs.

**Exceeding regulations**

### Exceeding requirements

GLP is a pioneer in environmentally sustainable 'eco-warehouse' development, setting the industry standard.

# Benefits of working at Magna Park Corby

Magna Park Corby is committed to creating a pleasant, healthy and safe workplace for all. We provide a range of benefits\* – including a nature trail, outdoor seating, safe and secure parking, high levels of biodiversity and a high quality modern attractive working environment – for everyone to enjoy.

## We're more than a logistics park

### +Transport+

Transport links are the lifeblood of every logistics business. All our sites are more connected and more accessible, with superb strategic locations and unrivalled in transport connectivity. Your workforce can utilise on-site parking, public transport, cycle to work or even join a liftshare scheme. This all helps to create a great place to work, where your team can thrive. And as every business knows, a happy workforce is a productive workforce.

### +Community+

As the logistics industry continues to grow, we're committed to contributing to the communities in which we operate. Our goal is to build meaningful, productive, harmonious and long-lasting relationships with these communities. We work with local schools, universities and our own Academy to give local talent the opportunities they need to thrive. We fund initiatives and charities that will bring about long-term benefits for the local community.

### +Wellbeing+

At GLP, we believe that it is essential to nurture 'wellbeing'. It is fundamental in attracting and retaining the best talent and contributing to provide a great place to work – helping to build a sense of community. All our buildings are WELLness certified, but we go beyond the building. Running routes, country parks, open-air gyms, footpaths and recreation areas all help your team become healthier and happier, leading to improved performance.
